REPORTS OF COMMITTEES.

No. I.—ON SUNDAY SCHOOLS.

The Committee on Sunday Schools would respectfully report: That they believe Sunday Schools to be an important aid in the moral and religious training of the rising generation, the hope of our country, which may in an important sense be called the hope of the world. But although the importance of Sunday Schools can scarcely be over-estimated, yet still they are to be held subservient to family religion and the preaching of the Gospel, for which Sunday Schools furnish an excellent opportunity. We should therefore use all our influence to organize and rigorously sustain Sunday Schools wherever it is practicable, and to make them as efficient as possible, to aid us in securing the early conversion and the thorough moral and religious culture of the children more or less under our charge.

We would therefore offer for adoption the following resolutions:

1st, *Resolved*, That we pledge ourselves to renewed and vigorous exertions in organizing and sustaining Sunday Schools under our own care, whenever it is practicable, in supplying them well with our own books and periodicals, and whenever we can, in keeping them up throughout the year.

2nd, *Resolved*, That we will earnestly endeavor so to use influence in our own and other families, and also in Sunday Schools, as to promote the immediate conversion of the children, and also their ready and cheerful submission to parental and other lawful authority; and especially to lead them on to deep and earnest piety, and to holiness of heart and life.

JOHN THATCHER, *Chairman.*

No. II.—ON TRACT CAUSE.

Your Committee on the Tract Cause would respectfully report: That the history of the past fully proves the great utility of the Tract Cause, in spreading the Truth as it is in Jesus. That it meets the religious wants of a class of people which cannot well be met in any other way. It is therefore the

imperative duty of all who would labor for the promotion of Christ's Kingdom, to give it their hearty support.

Therefore Resolved: That we will faithfully present its claims to our respective congregations, and earnestly solicit contributions in its behalf.

No. III.—ON EDUCATION.

To the Southern Illinois Conference:

DEAR FATHERS AND BRETHREN.—The undersigned, appointed a Committee on Education, beg leave respectfully to report:

That we have had the subject under consideration and are more than ever impressed with the great importance of sound instruction and godly discipline. We realize that "knowledge and vital piety" ought, in the language of Mr. Wesley, to be united and made mutual helpers. And we believe that we, as ministers, have no more efficient co-workers in our grand mission of spreading Scriptural holiness over these lands, than our seminaries and colleges. We also recognize it as our duty to make special mention of these great agencies in our prayers and in our public ministrations. Our people ought to be urged to remember, among their annual benefactions, our institutions of learning, and they should be taught to make them heirs in their wills. No other donations can do greater good to the world or more specially bless the givers and their families. During the closing months of our Centennial year, special effort should be made in the work of permanently endowing our seminaries and colleges. The ministers of God should both publicly, and from house to house be instant in season and out of season to secure so glorious a consummation as the establishment of such fountains of learning and piety.

M'Kendree College.

The report of the Education Committee shows this institution to be in a very prosperous condition. Its prospects were never better. Financially its condition is much improved, while the constant increase in the number of its students, evinces its growing popularity.

The success of the college inspires us with still more confidence in the ability and fitness of President Allyn, whose persevering efforts as a financier and educator have done so much to establish and sustain its reputation.

We offer the following resolutions:

1st. *Resolved*, That the presiding Bishop be requested to appoint Rev. R. Allyn, President, and Revs. F. O. Blair and O. V. Jones Professors in M'Kendree College.

2d. *Resolved*, That in view of the great utility of M'Kendree College, in advancing the interest of the Church, and in disseminating Gospel Truth, we pledge to it a hearty support, giving to it all the preference in our charitable collections, which the importance of its work demands.

3d. *Resolved*, That we will, this Centenary year, make special efforts to relieve the college of its financial embarrassments by soliciting liberal contributions to the sinking fund.

4th. *Resolved*, That we will do all in our power to send students to M'Kendree College, and will ever pray Heaven's richest blessing to rest upon this institution.

5th. *Resolved*, That the Visiting Committee consisting of twenty-five members be divided into five classes, to serve one, two, three, four and five years, as may be determined by lot immediately after appointment, and that five shall be appointed annually, to serve for five years each, to fill the accruing vacancies.

The committee further desire to present and incorporate as a part of their report, the following Report of the Visiting Committee appointed this last year, to visit M'Kendree College.

To the Bishop and Members of the Southern Illinois Conference:

Dear Fathers and Brethren.—In behalf of the Visiting Committee of the Conference to M'Kendree College, I beg leave to make the following report:

The past year has been one of prosperity for the College. A larger number of students than usual have been in attendance; and the reports of the Faculty and Examining Committees showed that attainments creditable both to the Faculty and students have been made. There was a good revival of religion in the station during the past winter, in which the students of the College shared largely.

The financial condition of the College will be learned from the following:

Reports of the Fiscal Agent	$3,385	75
Expenses	3,368	17
Balance in favor of the College	$ 17	58

Receipts from other sources:

From interest on Endowment Fund	$1,815	00
" Tuition	773	00
" Incidentals	2,023	65
" Room Rents	348	00

From President's House	111 00
Total	$5,070 65

The Endowment Fund is $21,154 05.
The receipt of Sinking Fund Commissioner, $1,729 25.
Disbursments $1,995 90.
Balance in favor of Commissioners $265 65.
Probable value of College property:

College Building	$11,000 00
" Chapel	13,000 00
" Park	1,500 00
" Bell and Clock	1,200 00
" Dormitories	2,500 00
" Library and Furniture	3,500 00
Total	$53,854 00

The whole indebtedness of the College, including Dr. Cobleigh's claim of $1000, which he has promised to donate to the College, is $15,150 00.

By the persistent efforts of Dr. Allyn, Sinking Fund Commissioner, the debt is being slowly removed.

The following resolution was adopted by the Joint Board, viz:

Resolved, That we re-affirm a former resolution, respectfully requesting the presiding elders and preachers in charge of the Conference to assist the Endowment Fund Commissioners to collect notes, principal and interest, and that the matter be pressed as earnestly as possible.

The following resolution was also adopted, viz:

Resolved, That the Endowment Fund Commissioners be authorized and requested to give up to proper persons endowment notes that are or may be in their hands, against deceased Methodist Preachers, when substitute notes are placed in their hands to the amount of the principal of such deceased preacher's note, and that it be endorsed on the new note that it is a substitute note.

Respectfully submitted in behalf of the Visiting Committee of the Conference. JOHN LEEPER.

LEBANON, ILL., June 18, 1866.

P. S. It is due to Dr. Allyn to say that he has exchanged the notes that have been substituted for, endorsing the fact that it is a substitute note, on the new note. J. L.

Southern Illinois Female College.

We rejoice to learn from the facts set forth in the reports of the Executive and Visiting Committees, that this institution is growing in favor. If it could be relieved of its present

financial embarrassment, its usefulness would be greatly increased and its success become a certainty.

The importance of this institution for female education cannot be over-estimated. It is the only institution of the kind in Southern Illinois. We are forced to the conclusion, that unless this Institution is sustained, many of the daughters of our Church will be educated in Roman Catholic schools. A practice already too prevalent among us, and one that cannot be too highly reprehended.

The patronage of last year and the financial prosperity of the college, entitle President Moore to our fullest confidence as a financier and educator.

We submit the following resolutions:

1st, *Resolved*, That we will continue to give the Southern Illinois Female College our earnest prayers for its success. We will commend it to our people, and urge them to send their daughters there to be educated.

2nd, *Resolved*, That we request the presiding Bishop to appoint Rev. J. S. Moore, A. M., as President and Financial Agent of this College, and Rev. W. Wallis, A. B., Professor of Ancient Languages and Literature.

3d, *Resolved*, That each preacher in charge be required to make an earnest effort to raise at least $20, in the bounds of his charge, to pay off the debt of the Southern Illinois Conference Female College, at Salem, Illinois, and forward the same to the President, Rev. J. S. Moore, by the first of December, 1866.

4th, *Resolved*, That we cordially endorse the action of the Executive Committee of the Southern Illinois Female College, in organizing the Ladies' Educational Association.

The Committee also desire to incorporate into their Report the following two documents:

Report of the Southern Illinois Female College Visiting Committee, to the Members of the Southern Illinois Conference:

Dear Fathers and Brethren.—The Committee appointed to visit the College at Salem, the past year, deem it their duty to lay before you a brief statement of the condition in which we found that Institution.

It is known to the Conference that the School opened a year ago under embarrassments of the most disheartening character. Some of us, indeed, apprehended that the Southern Illinois Female College had about ended its career. Instead however of finding it in the throes of death this summer, we found it saying practically and emphatically as Wickliffe said to the priests who came to see him breathe his last, "I shall not die, but live."

The facts that came before us showed that there was a steady and encouraging increase of the School during the whole college year. At the time of the meeting of the Joint Board, the

friends of the institution rallied and made an effort to raise funds to relieve the college of its debts. The result is that only some nine hundred dollars are necessary to free the college from its present distress.

Your Committee is as much as ever persuaded that we need a college for our daughters in the Southern Illinois Conference, and we also think Salem is as suitable a location for the Institution as we have in the Conference. President Moore's success shows that he is the right man in the right place, and although it may seem a work of supererogation, yet we heartily recommend his re-appointment to that post.

Respectfully submitted,

C. J. HOUTS,
T. A. EATON,
R. H. MASSEY.

CENTRALIA, ILL., September 21, 1866.

Report of the Executive Committee of Southern Illinois Female College, to the Members of the Southern Illinois Conference, to be held at Centralia, September 19, 1866*:*

DEAR FATHERS AND BRETHREN.—We the Executive Committee of the Southern Illinois Female College would most respectfully present to your consideration the following statement. The judgments against the College will amount to $2,100, on November 1st, 1866; the date at which the time of redemption expires. To meet this the Executive Committee have received from members of the Joint Board—

Pledges to the amount of	$ 900 00
Pledges from other parties	255 00
In Notes	225 00
Ladies' Fund	112 00
Total	$1,492 00

All this has been pledged on condition that the whole amount is raised.

Wright Fund and notes available	$ 300 00
Town lot in Sandoval valued at	100 00
Centenary Offering from Fairfield, Ct., in the hands of Rev. Richard Massey	65 00

RECAPITULATION.

Pledges	$1,380 00
Ladies' Fund	112 00
Wright Fund and available notes	300 00
Lot in Sandoval	100 00
Cash Centenary Offering	65 00
Total	$1,957 00

One of the claimants has consented to throw off $50; this will leave a balance of $900 unprovided for. The Committee think that they can if necessary raise one hundred more in the vicinity of Salem. But this is all that can be done without aid from the Conference. The people of Salem and vicinity now manifest more interest in the success of the Institution than they have at any time for several years previous, but the interests of the Church imperatively demand the erection of a more commodious house of worship.

They were compelled to do this or lose caste as a church. With this pressure upon them they can do nothing more.

The Committee believe that if this Conference will appoint an agent, this small deficiency can be readily raised, and the Institution saved to the Church.

We leave this matter with you, praying that the Great Head of the Church will guide you to conclusions which will promote the cause of Christian Education, and thus aid in spreading scriptural holiness over these lands.

For information concerning the government of the Institution, the progress of the pupils, the fitness and qualification of the President and teachers for their respective positions, you are respectfully referred to the report of the Visiting Committee, appointed by you at your last session.

The Committee would respectfully ask the re-appointment of Rev. J. S. Moore, A. M., to the Presidency.

C. J. HOUTS,
DANIEL HAIN. } *Ex. Committee.*

Garrett Biblical Institute.

1st, *Resolved*, That we as a Conference, re-affirm an opinion expressed in a former resolution regarding this Institution as a very essential branch of our educational system, and as such commend it to the consideration of the Church. We recommend all young men called to the work of the ministry in our Church, to avail themselves if possible of the advantages of education and training in Garrett Biblical Institute.

2nd, *Resolved*, That we continue a patronizing Conference to this Institution.

3rd, *Resolved*, That we request the appointment of the following brethren as Visitors: Rev. Hiram Sears, A. M., Rev. J. S. Moore, A. M., with R. Allyn, D.D., and Rev. S. E. Willing, as alternates.

St. Louis University.

1st, *Resolved*, That we approve the action of the Missouri and Arkansas Conference in establishing a University proper in St. Louis. As such we commend it to the friends of Education throughout the West.

2nd, *Resolved*, That this Conference recognize Rev. R. Allyn, D. D., as a corporator of said University.

NO. IV.—ON TEMPERANCE.

The Committee on Temperance would call attention to the fact that intemperance is working a fearful evil in our country. We have good reason to believe that its baneful influence is felt, and its corrupting tendency is plainly seen in almost all grades of citizens, from the halls of Congress down to the lowest grades of society, and even some who have stood high in the Christian Church have fallen as victims of that deadly serpent. It breaks more hearts, beggars more families and sends more souls to perdition, than any other vice or crime in the known world.

It fills with rage and fury every wicked scheme, that wicked men and satan may invent, to destroy the happiness and best interests of mankind. The law which legalizes traffic in intoxicating drink as a beverage, is supporting and upholding a scheme of nothing better than wholesale ruin in a concealed manner. Your Committee would recommend the adoption of the following resolutions:

1st, *Resolved*, That we will preach and admonish as opportunity may afford, of the dangers and evils of intemperance.

2nd, *Resolved*, That we will give our cordial support to such plans or measures as may be best calculated to suppress intemperance.

Your committee would further suggest that the use of tobacco, is a practice that should be discouraged, especially among our young ministers.

J. H. HOLLOWAY,
R. W. LAUGHLIN,
WM. B. BRUNER. } *Committee.*

NO. V.—ON PERIODICALS.

Your Committee on Periodicals, submit respectfully the following report:

The periodical press in our day is a *power* in this country.

There is an increased and increasing interest among the masses in this department of literature. Hence the importance

at this time especially, of furnishing to all our people through the medium of the periodical press, a pure, chaste, elevated literature.

The exigencies of the times demand a vigorous effort for the promulgation of truth, and the defence of right principles. This can be most successfully accomplished by a free circulation of our periodicals.

We submit the following resolutions:

1st, *Resolved*, That we approve the editorial management of of all our Church papers.

2nd, *Resolved*, That as a Conference, it is our true policy to labor especially to extend among our people the circulation of the "Central Christian Advocate" and "Ladies Repository."

3rd, *Resolved*, That we will present the claims of our periodicals to our congregations, early in the conference year, and labor to secure a large increase in our subscription lists, this year.

4th, *Resolved*, That we submit cheerfully to the financial necessity of the Publishing Committee of the "Central" for the admission of advertisements into its columns, but beg leave to suggest, that no advertisement should be admitted, other than of articles known to be genuine and useful.

J. A. ROBINSON, *Chairman.*

NO. VI.—ON CHURCH EXTENSION.

Your Committee to whom was committed the interests of the Church Extension Society, re-affirm our approval of its organization, and that it is the right agency in the right place, and beg leave to offer the following resolutions:

1st, Resolved that it is the *imperative* duty of each preacher in charge to take the collection for the Church Extension Society.

2nd, *Resolved*, That the officers of the Conference Society are: Rev. F. O. Blair, J. B. Corrington, J. S. Moore, T. F. Houts, J. H. Hill, B. R. Pierce, J. W. Lane; and B. Hypes S. H. Shepherd, L. Brown, B. G. West, C. Blakeman, M. Phelps, S. T. Lowe, form the Committee of Managers, and that J. H. Shepherd be the Treasurer.

3rd, *Resolved*, That all appropriations for aid in this Conference be made through the board of managers.

4th, *Resolved*, That nine of this board present at any time, constitute a quorum.

J. W. PHILLIPS, *Chairman.*

NO. VII.—ON BIBLE CAUSE.

To the Members of the Southern Illinois Annual Conference:

Your Committee on the Bible Cause, beg leave to report, that from a brief examination of the exhibits of the American Bible Society, they are convinced that with great energy and encouraging success, that institution is prosecuting the enterprise of circulating the Sacred Scriptures. Notwithstanding its operations for this, the jubilee year of its existence, exhibit a marked advance upon those of any former year, still the institution with commendable zeal and liberality is contemplating a more thorough supply of the destitute throughout all parts of the country, than has ever heretofore been accomplished. In the South, where among the Freedmen, there is great destitution as well as an ardent and increasing desire for the Sacred Word, great efforts are being put forth to make the supply commensurate with the demand. In our own State, through the efforts of local agents, the Society is aiming to place the Bible in every family. Much of this work is being effected by unpaid agents, who have been appointed to canvass school districts and neighborhoods. Still, facts have come to the knowledge of your committee, showing the existence of great destitution, even in old settled and wealthy portions of our State.

In the city of Belleville, an actual canvass has shown, that a majority of thirteen over one-half of the families were without a Bible. In East St. Louis, three-fourths of the families were unsupplied. Other facts might be brought forward were it necessary, to convince the members of this body of the necessity of strong and persistent effort for the more thorough circulation of the Sacred Word among the destitute of our community.

Your committee would recommend the adoption of the following resolutions, viz:

1st. *Resolved*, That we regard the universal circulation of the Sacred Word among our people as the best guarantee that we can have for the morality, piety and consequent peace of society.

2d. *Resolved*, That the American Bible Society presents the best agencies for the accomplishment of that object, with which we are acquainted.

3d. *Resolved*, That we will cheerfully and earnestly co-operate with the agents of the Society for the furtherance of their work; that in each of our congregations, we will preach at least once a year upon the subject, and that we will encourage our people to support the cause by becoming Life Members of the Society, and otherwise contributing to its funds.

NO. VIII.—ON CENTENARY.

The Centenary Committee beg leave to report by the following resolutions, viz:

1st. *Resolved*, That we approve the recommendation of the Committee of Arrangements for the Centenary Celebration made at Centralia, November 1st, 1865, to record the names of all our church members in a suitable Centenary Record Book.

2d. *Resolved*, That we urge the preachers from whose charges the lists of member have not been sent for record, to send them forward at once.

3d. *Resolved*, That the following brethren be appointed a committee to audit the accounts of the Centenary Agent, and to estimate what compensation he ought to be allowed for his services, viz: E. Joy, V. D. Lingenfelter and J. Leeper.

4th. *Resolved*, That the portion of the Centenary offerings of the members of the church appropriated to M'Kendree College, be set apart for the endowment of the "President's Centenary Professorship of Mental, Moral and Social Science."

5th. *Resolved*, That the Centenary contributions of the preachers, when not otherwise directed, be appropriated to the establishment of a fund to be held by the commissioners of the Endowment Fund of M'Kendree College, under regulations to be hereafter adopted, for the education of the children of the members of this Conference.

Respectfully submitted,

ROBERT ALLYN, *Sec'y.* W. W. MITCHELL, *Chairman.*

CENTENARY AUDITING COMMITTEE'S REPORT.

The Auditing Committee for the Centenary Agent's accounts have attended to their duties, and beg leave to report as follows:

They find that the agent's expenses have been for traveling, printing, books, circulars, postage, stationery, &c., $415 44.

That he had collected and received for all the different Centenary objects: M'Kendree College, Southern Illinois Female College, Heck Hall, Garrett Biblical Institute, Chartered Fund, our own Conference Fund, the General Education Fund and Children's Fund:

Before Conference	$ 827 74
Received at Conference	3,428 65
Total	$4,256 39

They find the accounts correct and recommend that he be allowed his expenses above, and $500 as salary.

NO. IX.—ON FREEDMEN'S AID SOCIETY.

To the Members of the Southern Illinois Annual Conference:

Your Committee upon the Freedman's Aid Society ask leave to report, that after having carefully considered the subject of the formation of a denominational society, upon the part of our Church, they are satisfied that the movement was opportune and even necessary. By the operations of Divine Providence four millions of human beings have been suddenly elevated from bondage to freedom; from the condition of chattels to that of citizens, possessing the rights and immunities of citizenship. The condition of these freedmen appeals most forcibly to the liberality of the christian masses of the country to aid them in so rising in the scale of intellectual, moral and religious culture, that their emancipation may be a blessing to themselves and to our entire population. They must have aid. As christians and philanthropists, we are under obligations to give our attention to this work. These people will be a power in the land. Passing events clearly indicate that they will soon obtain political, as they have obtained civil rights. It would be worse than a blunder, it would be a crime, to fold our arms and close our eyes over this matter, thereby tacitly assuming that four millions of people, off-cast and degraded, can with safety to the country, be permitted to remain as a rankling sore in American society, or that the church will not suffer incalculable spiritual loss by with-holding from them the best appliances of the gospel. The necessity of a separate movement upon the part of our Church for the attainment of the object in question, is apparent, in consideration of two facts, viz: *First*, (as stated in the circular put forth by the original movers in our separate organization,) that notwithstanding a large proportion of the funds contributed to the undenominational Freedmen's Aid Societies of the country has been given by our church members, those societies do not devote any portion of their money to the support of our denominational mission schools in the South. *Secondly*, there are hundreds in the country who will contribute liberally for the direct support of freedmen's schools, but who would not do so indirectly through the Missionary and Church Extension Societies; even were those societies to incorporate with their operations, plans for the development and prosecution of educational enterprises among the freedmen. In consideration of these facts, your Committee recommend the adoption of the following resolutions, viz:

1st, *Resolved*, That the members of this Conference organize themselves into a society, auxiliary to the Freedmen's Aid Society of the M. E. Church; that they adopt the form of constitution recommended by the parent society, and proceed at once to the election of such officers as are demanded by the aforesaid form of constitution.

2nd, *Resolved*, That we now take up a collection in behalf of the object in question.

3rd, *Resolved*, That we respectfully recommend this great enterprise to the favorable consideration of those annual conferences that have not yet taken action upon it.

4th, *Resolved*, That we recommend the taking up of collections for the benefit of the Freedman's Aid Society in our respective charges, during the coming conference year.

Rev. JOHN HOLT.

Rev. John Holt was admitted on trial in the fall of 1853, and served the Church faithfully as an itinerant preacher, thirteen years. His last appointment was to the Hebron Circuit, Olney District. He entered at once with his wonted zeal and efficiency, upon the work.

On the 10th day of Feb., 1866, he fell sick, suffered intensely for ten days, then died in great peace. We lament his early fall, but we bless God that his ministers not only show the people how to live, but also how to die.

His death occurred on the 17th of September, 1866, at Olney, Illinois, and though he died suddenly, yet he died as the good man dies, full of faith and the Holy Ghost.

NO. III.—ON RESIDENCE OF BISHOPS.

Resolved, By the members of the Southern Illinois Annual Conference, that in view of the great field opened for christian teaching and labors in the Southwest, and along the Mississippi river, and the demand in that immense country for ministerial work, and general superintendence of that work, we deem it of the highest consequence to every interest of our church that one of our Bishops should reside in the immediate vicinity of St. Louis, the great center of the nation, and the gateway to the gold and the cotton producing regions of the world.

Resolved, That we cordially and earnestly invite the Rev. Bishop Thomson, whose visit to our Conference has afforded us so much pleasure, and who has presided over our sessions with so much dignity and efficiency, to fix (if not inconsistent with previously arranged plans) his residence within the vicinity of St. Louis.
